

**Member asking:** Shurwayne Holder, MP

**Member Answering:** Minister of Local Government

**QUESTIONS ON NOTICE FOR WRITTEN REPLIES**

In light of reports that opposition-led NDCs have received less favorable treatment (compared to PPP-led NDCs) in the allocation of financial and other resources for the Ministry's CLEAN-UP CAMPAIGN in February/March 2022, could the Minister explain the criteria for allocation of monies to the NDCs and what sums each of the participating NDCs directly received?

Could the Minister also explain how the contracting of trucking and other services for the clean-up campaign was conducted to ensure transparency and fairness?
